Last Info

Dear leaders and group responsible,

Salzburg, June 2014

Our camp is approaching fast. Here some last information.

General: **Visitor's day, 10. August 2014**

On this day we welcome all relatives and friends of the scouts as well the habitants of the surrounding villages on our campsite. We want to present us as well as possible so the camp-organisation and the program-team have already prepared lots of different activities for that day. You may present your group as well – perhaps with a funny game or tradition.

Food: **The menu selection for Wurzl'14 is online!**

At each meal on Wurzl'14 you may choose from two possibilities, one – at least – is vegetarian. Please log in again in the registration database and give each troop your menu choice. You can find the menu choice under the menu item "Select menu". There is for each troop a button for menu selection. You need not decide for one dish. If your party consists of 15 persons, for example, you can choose for 10 people Menu 1 and for 5 persons Menu 2. You'll get the food on the Wurzl not per troop but per "Nutrition unit". It summarizes several troops to nutrition units. If you don't like to cook together, you have to divide the allocated food accordingly.

Those troops, for which no selection is made, receive the proposal (Menu 1 /meatless, see: Menu on the webpage). Requests for changes in stock must be discussed with the food-responsible of your subcamp.

Please choose your menus until Monday, June 30, 2014.

Food: **Open Pots, Sunday, 10. August, 19.00 o'clock**

On Sunday evening (after the visitor's day) we like to cook international. Seek out a specialty of your country / your region per troop from which you want to share with the other camp participants. Remember that many people will want to taste a little something. Therefore please plan for at least 25 regular portions, which can then be consumed in small bites. You will need to bring with you to Wurzl14 any special ingredients not available in Austrian supermarkets (Please remember that there are regulations of what foods can be brought legally into the EU!!). All other ingredients you can order online on the same page than the menu selection.

For questions about menu selection or to the open pots please contact the food supply-team: verpflegung@wurzl14.at.

Registration: **Arrival at the campsite**

When you arrive at the camp, the first way for your group responsible should be to the registration at the camp-office (right at the main entrance). There you'll get all further information. All the other camp participants should wait at the „Village-Place“ (main square).

Transporting: **Trips during the group-day (7. August)**

If you like to make an excursion during the group-day, please contact our transportation-team as soon as possible so that we can arrange everything. The e-mail-address of the transportation-team is: transport@wurzl14.at.
