These are the days all of us came,

everyone is feeling just the same.

Having fun, never sleep,

sitting 'round the fire sharing tales and memories.
C D Hm C D
We, we are one, together we are strong.

in Bi Pi's spirit we're together, you and me.

This is the place, where nations meet,
C D
anywhere apart from all the streets.
C D

together we are singing our song.

And there's no tears in my eyes
C D
'cause I know I'll always have you by my side.

We are prepared, like Powell said,
C D
and I wish these days would never ever end.
